Hi Richard,

You are right, but in the meantime Selana owes us some =oney and got a negative balance on her statement for the following : =isa processing fee, Test with photographer, Website fee, courier, =omcards, appt rent.

I will have the 20% fee reverse to her account and will =ave that amount applied the negative balance owes to =C2 and if any balance due to Selana, I will have a check cut to =er.
