Jeffrey,

I need your help with Boeing maintenance schedule.

The only quote Morrison was able to get for C check is AirOne in OpaLocka at this time \$251k,,, Stanbaugh in Brunswick GA will provide a quote next week=but unable to accept the aircraft till Late February. Personally I like the=fact of local maintenance in Miami to oversee the work easily, we will bene=it from this both mechanically and financially.

StanBaugh is slow to provid= quote since they believe we are not in rush due to their earliest start da=e next month, however I would like to see their pricing to compare to AirOn= in Miami.

option #1 should I take the B727 in Miami and get started? Miami is ready to=start and offer 30+ day completion baring no length repairs.

option #2 wait for Stanbaugh pricing?

thank you,
Larry
