Lesley:

Here's a map of where the =theatre is in Brooklyn. Hopefully this will help.

Jeffrey also asked me to send =ome recent reviews of MUCH ADO and for you to remind Mr. Epstein that =e is welcome to attend any performance and that you should contact =e.

(I'd love for you =o see it too—you're welcome to two tickets—just let me know and ='ll arrange it).

He asked me to mention to Mr. Epstein that all the reviews =re very positive except the New York Times which missed the beauty and =oldness of the production and especially the work of the director Arin =rbus who brings the play into this cultural moment. The attached =ress packet shows a much wider point of view. Time Out New York gave it = stars and named it a 'critics' pick.'

I'll be in touch next =eek.
