Crazzy lunatic again telling me that he's been looking at my photos online! = Haven't responded for his numerous emails... He keeps doing it

Hi [REDACTED],

I'm sorry for the delay in writing and to say hello on Saturday night but it's the first chance I've had - I was playing catch up on everything after having been in China and India.

Are you feeling even more beautiful today than your pretty pictures that Google turns up? If so then please take a photo and send it to me. If not, I am happy to look at your pictures on the internet.

I'm in the Hamptons this weekend? What are you up to?

How are your essays going?

You would be proud of me - I went to the gym today. You probably did as well. G"
