**- Square Yard (SY) to Square Foot (SF) Conversion -**  
Quantity - multiply square yard x 9 = square foot  
quantity - Price - divide square yard price by 9 =  
square foot price

**- The above quantity includes a 15% factor for waste / overlap**

**- Materials are currently in stock; freight time to Medley is estimated at 3 - 4 days**

**FREIGHT NOTES :** Freight quotes are based on the referenced quantity via van style carrier, unless otherwise noted. Any stated freight delivery times are estimates and not guarantees unless specifically stated in writing. Due to LTL (Less Than Truckload) freight company restrictions, any material larger than 16-feet in width will require additional charges - please inquire.

**PRICING NOTE :** The above pricing is valid for at least 30 days unless otherwise noted. **TERMS :** Terms are Net 30 days with approved credit or other terms specifically detailed in writing. **RETURNS :** Returned items are subject to a restocking charge of 30% as well as additional freight charges. Sales of specialty items or custom sizes are final.

**LABELING/CERTIFICATIONS :** At time of quotation/ order, customer must notify US Fabrics of any NTPEP/AASHTO product identification requirements or need of project specific certifications. Should you have any questions or require additional information, please do not hesitate to contact me at 800-518-2290.
