Just got home, some huge dj was playing at provocateur so it was incredibly p=cked and crazy, I was with ████ and ██████, met another friend of ████ - b=ond Olga. The coolest moment of the evening was when i had the bitchy door=girl go outside and announce "████████ please come in" - the door was=crazy, but my black friends helped:) although, everyone is still jealous af=er seeing me with ███ last time - they even told me he is in town...
Took mucinex, going to sleep. may be will try again tomorrow, hopefully I fe=l better:) couldn't breath
Kiss:)
