Good morning =o all-

</=:p>

I spoke with =effrey at length this morning and attached are the items that remain =pen. There are areas highlighted in blue that I ask each one =ddress so that we are very clear.

</=:p>

Jeffrey / =arry - Jay and Dan will explain the "crossover" as under =urther thought, music should be played through the blue tooth and not =he apple tv.

</=:p>

Everyone =lease comment so that we are all reading off of the same list so that =e can resolve these last few discrepancies.
