With regard =o the seat base and air duct carpet, here is what our choices =re-

</=:p>

1. The attached =hoto shows the yarn that they can get expedited at the dye house. =hey said it is the same hue and about 2 shades darker than the floor =arpet from ABC.

</=:p>

2. They can =ustom due new yarn to closely match the ABC carpet, but it will not be =eady to ship until the 10th/11th. We can do =his if you want, but we will have to remove and reinstall the seats =fter the test flight.
