dear Jeffrey

you could be a big help by giving me a small, starter grant to help me set up the project and raise the larger money; although my Foundation recently received a modest advance from Harvard University Press for a short update on my genetics book, this has been nearly exhausted back and forth to Kingston etc

\$20,000 would be great; anything would be helpful

and i apologize for returning to you again when my stated purpose was not to, but your offer is to welcome to pass up without even a word

i hear from [REDACTED] that you are traveling all over the place, so when i am back in Jersey i will write again; BTW i will be in Ft Lauderdale September 5 to 8 but i did not get the impression you would be at your home in that area anytime soon

all best as always

bob
