Subject: GIV Crest / N number
Attachments: GIVpaint123.pdf

Jeffrey,
the Paint shop is trying to present a different style N number similar=to what Julia emailed me.,
The FAA is firm on 12" height minimum and block style letters, in equa= proportion, see attached rendering with Logo placement in Cayenne Pepper color Cre=t and N Number.,

is this good for crest location, its 8 inch round crest as you determi=ed in islip?

thx
Larry
