Je=frey,

I =m not sure about these two patterns (Chevron & Star Spangle =anner).

In=my opinion (please do not be offended), the stars needs to stay with =etsy Ross on a flag pole - not in your jet. If this was a sail =oat, I could see it.

I =m concerned that the chevron pattern will be way too busy against the =oodwork and be "aesthetically competitive" in =attern.
