Not at all! Quite to the contrary. I am actually touched and grateful. Support has never made me feel awkward, only the absence. This has been a terrible year---with enormous strains, mostly stemming from the responsibilities of my job.

I miss you....but you also have not been around much. So let's really get together around the 18th. I am traveling in June--conducting etc. So let's also talk by phone tomorrow, after the ceremonies here are done. Which number?

Leon
