Dear Rich,

Attached =lease find Product Order 1 including:
Cover Sheet outlining =overall costs, check payable information, and =hipping
Invoices from the showroom referencing each =rder.

Please note the order for the throws includes both =n invoice (for the throw that is existing in Chicago, which Jeffrey has =een) and a quote (for another identical throw which is shipping from =he manufacturer to Chicago and for the fabrication of the rolled =dge.) When Jeffrey and I reviewed the edges of the original throw =hey were not perfect, therefore I suggest a rolled edge, which will be =one locally by a Chicago vendor for fastest service.

Once Jeffrey has approved, please submit 2 checks =ayable per the cover sheet, and send to the address provided. If =ou prefer wire transfer, that information is include on the =uotes.

Certainly let me know if there are any questions, if further =nformation is needed, or if you would prefer a different =ormat.

Many thanks,
Amy
