dear Gordon

as you know the sprinting work was supported by Jeffrey Epstein, a good friend of mine (and financial whiz) whom i see when i can in NYC or West Palm Beach at his homes

he also was quick to offer more help and gave the BRF \$20,000 six weeks ago toward the elite sprinter project, money which your Foundation kindly matched

like you he has a deep interest in science, though he is more into mathematics per se but he might well find some of your economic work interesting; as you know, economics is not exactly my strong suit; in any case, i recommend him warmly to you--i find no fault in him and always enjoy his company

hearing about you, he thought it would be fun to be in contact and so i am copying him on this letter, in case he wishes to e-mail you

i hope this is fine with you and i look forward to visiting you in San Francisco in the not too distant future

warmest best as always
