Jeffrey

You mentioned tha= I could use Chip on your LSJ departure trip and try him on another flight.=

The other Pilot I met yesterday whom Chip introdu=ed me is a friend of his., Oren Narunsky is 37 years old, he's ty=ed in G550 and has GIV experience., (672 hours in G550).,he resides in Well=ngon FL, and is currently unemployed., very nice guy, brings medical experi=nce to the table as well.

Should I take this=opportunity and try Oren on our next trip?

Thank y=u,

Larry
