Kairat,

I greatly enjoyed all our conversations yesterday. I think your country is=lucky to have u in place at a moment of great challenge and opportunity. =here will be a great deal of history made in the next few years in your pa=t of the world.

As we discussed, I will summarize some key parts of our conversation for mu=ual friends in Washington, carefully consider the advice you received from=the Harvard team and along w Jeffrey Epstein consider your investment chal=enges.

I look forward to meeting you or your team at the time of the Washington IM= meetings.

I will keep fond memories of my introduction to horsemeat, the beautiful ca=pet, Genghis Kahn and soft power and much more.

Best

Larry
