Thank you, more importan= is how are you? The Bruce and Marsha Moskowitz foundation is supporting t=is foundation which we set up. We also support an initiative of healthy co=king for children and families. We are a public foundation a 501 c3.

The Cancer Nutrition Consortium is a public Foundation (50=c3) composed of 8 research academic centers including Mayo Clinic, Johns H=pkins, Dana Farber, NYU, Cedar Sinai, the Culinary institute of America an= the Biomedical Research and Education Foundation. Together we have a s=ientific group developing new products to license to industry to improve t=e lives of patients undergoing treatment for cancer. The products are base= on the two year research study of 1200 patients. Our first two products i=clude an American ginseng that dramatically reduces fatigue during chemoth=rapy. Also based on the survey we developed a "clean ensure" tha= removes the soy and all artificial ingredients and comes as a powder. We =ave a study that is showing preference in head and neck patients and women=undergoing radical surgery for ovarian cancer. We also developed a frizzed=dried small lozenge that dissolves in the mouth and delivers probiotics th=t previously relied on a large capsule that could not be used in patients =ith swallowing problems or in pediatrics.
