A couple of things I forgot to mention:
1. I want to confirm that the 1/2 dozen or so intra family notes that compo=nd annually should be amended to annual cash pay. I also want to confirm t=at you want the interest rates somewhat higher than the AFR safe harbor r=tes.
2. I plan to institute quarterly meetings between the Trustees and benefici=ries where they will be provided (by the trustees) a quarterly update on t=e trust assets. This will also be a forum for general discussion between t=ustees and beneficiaries. At some point we may also invite relevant guests=for part of the meeting presenting on topics of interest or relevance. Fro= my perspective Leon should obviously attend as well. Should there be an e=ecutive session between trustees and beneficiaries? (No me, no leon) 3. I want to push the internal team to do all relevant administration for a=t partnership and Nar. Anything going on why I shldnt push. (I know we may=fund/contribute assets incrementally).
4. I plan to keep Elysium llc as owned and funded (overhead) by leon. Any i=sues? I am also going to be appointed a managing director (with leon) so I=can sign for the office.
Let's discuss the above as relevant. B
