Hi Tyler,
=div>

Darren's office got back to me. The foundation will have a d/b/a called Jeffrey Epstein VI Foundation. This will allow some EIN space-- but not substantial since I don't have permission to use the 990 form or a modified version of it. I need this to get onto the Foundation Center and its subsidiaries. They are the most prominent/visible online org for foundations. I will find out tomorrow again from the Foundation Center exactly what info they would show on the 990 and what they block out.

The NET site looks great. I have a few edits/ comments. Attached are 4 docs:

- * my edit=
- * the AI Projects page that was left out.
- * the About photo for Jeffrey.
- * the AI Homepage photo aligned left. This could be lightened up a bit.
</=i>

let me know if the photo resolutions are OK.

Thanks!
