i made this =icture the day before yesterday . that that brazilian girl, which I was =tudying with this summer in paris. she came from brazil again, just for =e , can you imagine ?

its like a =ime for miracles,
today I woke up so early and decided =o go take a shower right away, just like you did it , when we had a =orning together.
and i was having a day full of ideas, =ot dreams. even if i don't know how to realise those ideas in =eal.
and i was walking so much !
and i =te 5 times a day. i ate only 1 or 2 in [REDACTED].

I start to think of starting = sports life now. yes . I wish to dance since I was a child, I want to =ance and so fitness. ands so strange and new to me, but = look into my future wide eyes open .
