Good day all,

I just set a new threshold for the link on the gym. I had =nna and everybody on LSJ stream something so I could get a good =eading. I hope this holds up now until we can replace it. I still have =t on manual modulation, so I will continue to monitor the link. Times =ike these is when I lose on a service contract. Please note tomorrow is =he 31st and my service contract expires then. We don't have a new one =n place. If I do have to work without it, you will be charged \$75.00 =er hour with a minimum charge of 2 hrs.
