Subject: Boeing

Jeffrey

I spoke to Larry Morrison, he would like to have B727 in service Thursday.

The driving item is locating a Oxygen Pressure gage for passenger 02. Maybe c=uld locate Tuesday morning local in Miami.?

We have to install headliners in cabin, lowered while searching for 02 leak.= Door bracket should arrive Wednesday morning, Stambagh is closed for Holiday=Monday

I'll check on Bill Hammond availability as well,,

Thx
Larry
