Subject: margin trade vs option
Attachments: Switch From Treating Basket Transactions....pdf; CCA 201426025 - Section 446 - General Rule for Methods of Accounting.pdf

As fyi- thought you mi=ht find of interest

Client put 10% down; b=oker financed 90% - economically similar to - in-the-money cash settled ca=l option with premium = 10% of notional. Under option, tax P&L = n=t cash; under financed trade, tax P&L gains, losses, expenses.

IRS challenged and tre=ted as change in accounting method
