Miscellaneous Product Descriptions:

- 1- **Filter Units:** Custom-made framed units to house our replaceable polyester filters. Installed on the right and/or left side within the Cityproof Interior Window System. Allows filtration of outside air thereby eliminating soot and dirt from entering the inside. Includes two (2) additional replacement filters. We recommend changing filters every 2 – 4 months.
- 2- **Screens:** Custom-made framed screens that are installed within The Cityproof Interior Window System.
- 3- **Window Air Conditioner Enclosures:** Encasements that enclose air conditioners that protrude into the room, i.e. past the sill and/or wall of the opening. All window air conditioner enclosures provide full access to the air conditioner for cooling, venting, maintenance and repair.
- 4- **Thru-The-Wall Air Conditioner Enclosures:** Encasements that enclose air conditioners mounted thru the wall. All thru-the-wall air conditioner enclosures provide full access to the air conditioner for cooling, venting, maintenance and repair.
- 5- **Posts:** Fabricated in aluminum and/or wood, these square or triangular posts are installed in a vertical position to support the Cityproof Interior Window System sidetrack assemblies on a corner window, bay window, or extremely long, continuous runs of windows.
- 6- **Weather-Stripping:** Aluminum with Neoprene Pressure Seal gasketing, which is mounted around the entire perimeter of an entry door to form a tight seal. Weather-Stripping helps to prevent noise, dirt, draft, dust, cold, smells and unwanted domestic pests from passing between the door and the doorframe.

This Agreement is subjected to the following conditions:

- 1- Fulfillment of this agreement is dependent upon and subject to the absence of strikes, fire, shortage of help, national priority or other conditions beyond the control of Cityproof Corp. and the ability of Cityproof Corp. to obtain materials from its usual suppliers.
- 2- If Cityproof Corp. is prevented from starting or completing the work to be performed as specified herein, because the customer does not permit entry or make any necessary arrangements for entry to the premises where the work is to be completed, then Cityproof Corp. shall be relieved from further liability hereunder, and any and all payments required herein shall immediately become due and payable.
- 3- Cityproof Corp., if not paid in full for the contract work to be done, may have a claim against the purchaser, which may be enforced against the property in accordance with the applicable lien laws.
- 4- It is understood and agreed that Cityproof Corp. will maintain the statutory amount of workers' compensation insurance as well as liability insurance of not less than \$2,000,000.00. Cityproof will bring standard Certificates of Insurance, stating same, the day(s) of the installation. Standard Certificates of Insurance or Certificates of Insurance with Additional Insured(s) will be furnished prior to the installation upon request. It is the responsibility of the purchaser to furnish Cityproof Corp. with any specific insurance and/or building requirements (Additional Insured(s), scope of work, etc.) at least three working days prior to the installation date. Any direct cost(s) to Cityproof Corp., resulting from the delay of a scheduled installation due to this information not being furnished in a timely manner, will be the responsibility of the purchaser and will be in addition to the agreed to cost.
- 5- Installations will be made in a clean, neat, and workmanlike manner by trained and skilled personnel.
- 6- Our guarantee is first quality material and workmanship. We guarantee to replace or, at our option, repair any products or parts, which are found defective in material or workmanship within three (3) years from installation date.
- 7- There are no express or implied conditions or warranties, either oral or written, other than those specifically stated herein.
- 8- Unless otherwise specified in writing the Lead Time is approximately eight (8) weeks from the order date and/or final manufacturing dimensions, whichever is later, to actual installation.
- 9- Prices subject to revision unless accepted within 30 days.
