I have lied to many people you are right and =m sorry for this. However everytime it was for a good porpuse. I didn't harm anyone except for myself. For example I could have said the tru=h about you to the people who paid my school, batman and my family but I d=dn't. I thought it wasn't a very good idea. So I've lied. For [REDACTED] yes I've lied to her. But she never even kissed with him (at le=st this is what she told me) and beside all this Tancredi has a girlfriend= He made me promise not to say anything to [REDACTED] so that she wouldn't= get gelous or upset. I'm not justifying myself by saying lying is a go=d thing or acceptable but sometimes it is necessary if I want to keep my L=fe private to some people. As you told me once: " Your habit and mine=are very used to lie to everyone" and "You and I lie to people, = just wanted you to know that I understand". I'm glad I'm not=the only one and we make the same mistakes.
