Woody just phoned me.
Said: he had originally thought you were busy 4th July because you hadn't be=n able to go to Paris when they discussed it. Therefor they went ahead and m=de other plans for the 4 th July.
(he sounded like he felt a little bad about it.) He is thinking that you all could still do something middle to end august. H= mentioned the word Europe.(but not exactly in a full sentence) He said his=film is scheduled to end on the 15th august. It could and probably will run=a couple of days over/extra I told him you had your cell on you.
