Hi Leon,

You asked for my recommendation o= some managers to whom Simon could speak. Here are some who might be=of interest to him. It is really hard to get good representation the=e days—unlike the old days when managers nurtured talent, now they=are only interested in stealing established stars from one another. =C2 This list include mostly veterans in NY and Europe who might be willi=g to talk with Simon and point him in a helpful direction. The last =wo are younger managers who may be hungrier than the older curmudgeons. =A0
