Thanks Jeffrey.

Hi Larry.

It was great meeting you. Really enjoyed your comments and your advice! =ould love to connect again and introduce you to my bitcoin kids.

Regarding MacArthur.

I met Neal the other day and we talked about you. ;-)

I haven't met Brian yet.

Unfortunately, I'm missing the MacArthur board meeting this week because ='m in Tokyo for the Sony board meeting. (When it rains it pours...)

Is it OK if I let the committee know that you'd be available for =eferences?

We're still in the foothills on the search so it may all take awhile.
