Skype would love to hear your thoughts on the Skype Translator Preview

Hello there,

As one of the initial group who signed up for the Skype Translator preview we would really like to hear about your experience using Skype Translator up until now. Even if you have not yet used Skype Translator we still want to hear your thoughts.

Your feedback will be managed by an external and independent research agency who are conducting this survey on our behalf. Every single piece of feedback we receive is kept entirely confidential and is covered by our Privacy Policy <<http://www.skype.com/go/privacy/>> .

The survey should only take around ten minutes to complete and we'd love to know your opinion.

Tell us what you think.
