Jeffrey

Thank you very much for the visit and tour of your home yesterday. What a f=bulous place to call home. I have a bit of a photographic memory so I will=literally never forget the experience. It was very kind of you to take the=time and be so personal.

Something you said touched me and I will never forget it. "I wanted to wake=up in that painting everyday". Roger sometimes makes fun of how important o=jects and home decor are to me but after hearing you say that I know I'm no= alone and not crazy! What a cool and poignant thing to say. It must be i=credible to know you have no limits on living your dreams.
