Good Day Rich,

As per your request the attached pdf shows the two styles of Berlins.

Regards
JRUan

Good night Rich

Attached are the picture as per your request. The =0|40 is identical to the one that needs replacing, and the same as the =reen set we purchased in October. The 60|40 are the slightly older =odel that we purchased 2 years back when we first started on the flag =ole pool sound system.

Regards

JRuan
