Dear Mr. Jeffrey Epstein

Please come join =creenwriter and director Jake Paltrow (The Good Night, "Boardwalk =empire") as he takes us to a dystopian future in his latest film, a =ci-fi western epic, YOUNG ONES.

The film premiered at the Sundance Film Festival, was a huge =hit and is reflective of today's political demonstrations acknowledging =nvironmental changes.

Paltrow's film, is set in the future where water has become =he most precious resource on the planet, neighboring ranchers Ernest =olm (Michael Shannon) and Flem Lever (Nicholas Hoult) betray each other =n a struggle for their family's survival in a desert =asteland.

Jake and the entire =ast are looking forward to seeing you for a fascinating film and fun =arty. Invite attached

xoxo
Peggy
