Dear Mr. Jeffrey Epstein

Please join our hosts Michael Blo=berg, Eric Schmidt, George Stephanopoulos, Christine and Stephen Schwarzman= director Morten Tyldum, screenwriter Graham Moore, producers Teddy Schwarz=an, Nora Grossman, Ido Ostrowsky and members of the cast on January 7th, 20=5 for an evening of cocktails and company as we honor The Imitation Game and its™s incre=ible success to date.

The Imitation Game is a historically fascinating account of Alan Turing inventing the modern day=computer which resulted in the breaking of the enigma code, and then suffer=ng the indignation of homosexual discrimination. Alan Turing saved 14 milli=n lives and had a tragic ending that will break your heart.

We would so appreciate if you woul= attend our gathering at Christine and Stephen Schwarzman's home as we cele=rate the New Year and a wonderful cast. Please let us know as soon as possi=le if you're available.

Happy Holidays.

xoxo,

Peggy
