Jeffrey

it helps enormously and i could not be more grateful

my youngest daughter broke into tears when i told her (age 32) and she said, daddy you are so lucky to have friends who love you and respect your wok enough to help you when you are down—and her tears brought one or two to me

i know you have far better things to do than to get involved in Rutgers nonsense but just to give you a taste for the feebleness of their position, the attached is my most recent post to my website (roberttrivers.com)—from here on out it is my lawyer's job—we shall see how that goes

i have told almost no one about your gift—including my lawyer—and prefer it that way

thanks again for something that was both heartwarming and VERY helpful

yours always

bob
