Liability Statement. American Express Travel Related Services Company, Inc. and its parent, subsidiaries, affiliates and representatives (collectively, "Amex") act as an agent for travel suppliers and you understand and agree that Amex shall not be liable for any loss, injury, expense or damage to persons or property resulting, directly or indirectly, from (1) the acts or omissions of travel suppliers, including but not limited to delays, overbooking, cancellation of services, cessation of operations, accidents or failures of equipment, or changes in fares, itineraries or schedules; or (2) acts of God, fires, earthquakes, floods, climatic aberrations, acts of governmental authorities, civil unrest, strikes, riots, theft, disease, accidents or failures related to the public internet, telecommunications lines or facilities, or third party technology systems, or any other cause beyond the control of Amex.

Intermediary Disclosure. Amex assists you in finding travel suppliers and making arrangements that meet your individual needs. We consider various factors in identifying travel suppliers to you and recommending specific itineraries. In this role, we are acting as an independent third party and not as a fiduciary. We want you to be aware that certain suppliers pay us commission as well as incentives for reaching sales targets or other goals, and from time to time may also provide incentives to our travel counselors. Certain suppliers may also provide compensation to us for various marketing and administrative services that we perform for them, such as granting them access to our marketing channels, participating in marketing programs and supporting technology initiatives. In addition, we receive compensation from suppliers when customers use the American Express Card or other American Express products to pay for supplier products and services. From time to time we may enter into other business relationships with suppliers and these arrangements, including levels and types of compensation and incentives we receive, are subject to change. In identifying suppliers and recommending itineraries, we may consider a number of factors, including supplier availability and your preferences. The relationships we have with suppliers may also influence the suppliers we identify and the itineraries we recommend.
