Jeffery, =A0

I've finished my [REDACTED] couple weeks ago. It was intense but worth it.
<=div>

I'm interested to work on my own projects and eventually launch a startup. Meanwhile, I'm looking for a consulting work as a full stack software engineer to financially support myself (my husband is having hard time supporting both of us).

<=iv>I'm going back to Russia at the beginning of the November where I have an interview at US Embassy. Within a month I will know if I get my immigrant visa. In either case, I will have a work permit.

=/div>

Please, let me know, if you know anyone who might need a full stack software consultant. I've attached my resume.

<=iv>Thank you,
[REDACTED]
