Sir, please find attached the Private Air APIS Guide which was disseminated to the public.

=/p>

Page three reflects what we discussed as far as the electronic Notice of Arrival and the requirement for it to be filed through the APIS website.

=/p>

Unfortunately I will not be here this afternoon so I wanted to forward it to you via email.

=/p>

Hopefully this will answer the questions and make it all a bit clearer.

=/p>

I hope you both have a great day!!!
