In the=culturally rich Mexico City, a bright blue house stands out along the roads=de. The structure itself is simple and square, but draws you in with its sh=cking hue. Like many colonial era homes, it comes with a central courtyard,=welcoming in a flood of natural light. A bright yellow garden wall curves i= an oval, contrasting with the right angles of the rest of the house, and b=ight red tiling adds that final primary color to its palette.
