Good Afternoon,

I had forwarded this E Mail to Darren & Rich, Daren asked that I forward it to you asking if you wish to proceed with this purchase and do you wish for the signs to say Zorro Development Corp or Cypress Inc? Please advise, thank you,

Attached photo - No Trespassing Sign, which are located on all outer boundary fences, gates & road access. We need to replace most of these due to fading and damage.

The original signs where installed in 2002, with approx 150 in storage, which where replaced out as required. In 2010, 100 where purchased.

We will require 100 new signs, noting they will reflect Zorro Development Corp not Zorro Development and made of 24 gauge steel, with a clear coat, which will protect the signs from fading, this was not applied to the older signs

I have attached the New Mexico status details for each status on the sign for your reference.

Rich attached the invoice from The Sign Store where the signs were purchased in 2010 (\$1,135.56) and invoice from Sonny's Sign Source (\$1,995.68) for the purchase of the new signs.

I did get a verbal estimate from The Sign Store for the new signs which was \$2,459.93

All signs will be installed using Hog Ties, which will need to be purchased - minimal cost.

If you have any questions or concerns please let me know

Warmest regards
