Dear,

It is so beautiful out today; and I was thinking about you. The two =ight be connected.

As you know I don't very much like to ask the "how are you?" kind of =uestions; needless to say I hope that things are fine with you, and =hat you are happy

As usual there are many more things I'd like to communicate [to] you, =nd much fewer words to actually do so

Switching to practicalities (I can always find words for those), I got =he nice video making practice here and looking forward to go traveling =o neighboring cities for a landscape and people; Did not get the email =ack from [REDACTED] regarding money transfer though .

Your luck wishes seem to have worked just fine. I even get my own desk =n a super-bright room

love

G.

P.S.I just found out that JFK used to phone Judy Garland every night to =ake her sing "Somewhere over the rainbow" before he went to bed. I am =till wondering what to make of it.

xx
