Good afternoon Anna, I went to ABC and did not really like the plants I saw. I know that ABC is bringing a new trailer of plants next week, I would like to see what he has coming.

Since the boss is here this week, we will have to wait anyway. For tomorrow Wednesday, If you want to try to save the Bougainvillas on the beach, we can get the weed mat, clean the plants, staple the weed mat into the ground and fertilize the plants, I can pick up this materials at ABC in the morning.

See the attached document and I await your reply.
