Perfect Symmetry Salt & Pepper Set

The high ceilings and open concepts provided by their traditional architecture are reason enough to start moving in, but there's also the appeal of natural light that streams in through their large glass windows that sets our hearts aflutter. Accentuate these features with white backgrounds and the clean silhouettes of furniture made from light-grained wood, then add in subtle black details to catch the eye and keep the space interesting. We're redefining the American farmhouse with these stylish modern designs.
