Subject: [REDACTED] and her Move

[REDACTED] got a late start on her move yesterday...the building was =ccommodating and let her move in (even though they do not usually allow =oves at this time and no real appointment was made) It was Halloween =ast night and the building needed the elevators for Trick or Treaters- =o [REDACTED] and movers were forced to take an hour break before they could =esume the move-of course this meant paying for an hour of the movers =own time . I was receiving distress phone calls from Andrew and [REDACTED] I told everyone to relax, take a break, eat a slice of pizza =nd resume when they could. As I made this "executive decision", I =aid you would pay for this hour of the movers down time. I hope that =s ok. [REDACTED] had to pay the movers last night, I said I was sure you =ould reimburse her and things like this are just a part of life =ometimes....

FYI-Anthony is letting [REDACTED] keep her extra furniture at 301 =omewhere...
