Subject: Fwd: LSJ Flagpole Pool Sound

Good day JE

Dave looked at flag pole pool and is engaging his friend at CAT for recommendations to improve the sound

Below is his findings. I will update you as we progress

Regards
Jruan

Subject: LSJ Flagpole Pool Sound

Jeffery,

Your peak dB level was a weak 73 dB standing on the diving board. To put this in perspective, a rock concert is around 110 - 135 depending on which arena you are in.

I'm getting CAT engaged for a system design to see what we can do to bring it up to concert standards.
