Jeffrey

attached are 3 of the response we received from posting the Landscaping position on Craiglist ABQ and Santa Fe

Position was also posted via flyer at Plant World, Osuna Nursery Abq, Paynes and Newmans Nurseries Santa Fe

Basically there are no potential candidates at this time.

I have one suggestion.

Carlos worked for Eden Landscapes who did the original design/ install at the Ranch and then for Aspen for 2 years  
Would you be open for Carlos to take the job on as Landscaper and bring on Jose Mendz to fulfill Carlos existing position

Jose would have to live off Ranch, due to the family situation.

If you approve of this solution, I will approach Carlos regarding this and confirm all details for both Carlos and Jose for  
your final approval.

Are you be OK with this solution

Regards
