Jeffery,

Thanks for the meeting today. I am always impressed by how much you find out=about Maldives before we meet and how many questions you have. Both Jeff an= I enjoyed our meeting. Jeff lives here in Manhattan, so please call him if=you like and he will be happy to come and see you.

Kindly see if you can help us with the two projects I mentioned.

The cluster Innareha project will be the next big thing in tourism in Maldiv=s. My friend Didi and I are working on this. We are good friends of both So= and Sultan, so you may discuss with them if you think its useful. We have d=ne a financial feasibility study which I can send to you.

The little island is more like a personal project and I would like to be inv=lved in it. The island is too beautiful to be "sold" to just anyone. Apprec=ate your thoughts on what can be done with it. I am attaching the picture o= the island.
