We were scheduled to bring a group of Members (of Congress) to Azerbaijan May 31-June 4 (schedule attached). All but one Member dropped out as of today. The Azeri sponsors are extremely disappointed and upset, and asked that we do our best to make this trip happen by replacing the members with individuals of note in media, finance, banking, education, etc.

Could you suggest people? It can be plus one, so that means a spouse or family Member can accompany. Travel is entirely first class with all first class accommodations.

The trip will be an amazing program including meetings with the President, and ministers. Azerbaijan is booming and the country is looking for partners and areas in which they could invest. The trip could be both fun and profitable.
