attached is schedule with new premiums

727 @ 5,000,000 Hull value = 111,000 annual premium (4,000 savings from last year) GIV @ 7,500,000 =ull value = 40,125 annual premium (same as last year) Bell = 2,500,000 Hull value = 46,500 annual premium (same as last year)

probably makes the most sense to renew GIV hulls as is however below are some options you may want to consider for 727 :

GIV =,500,000 vs 7,500,000 - saves 1,375 GIV 7,000,000 vs =,500,000 - saves 500

727 3,000,000 vs =,000,000 - saves 7,900

727 4,000,000 vs 5,000,000 - saves 3,700

we have layup credits for Bell 430 of 5,324 and 727 for 37,367.54 that will be applied against renewal premiums

please advise if ok to renew and with what values for GIV and 727 thank you
