#### Business Summary

Global Indemnity Public Limited Company, through its subsidiaries, operates as a specialty property and casualty insurer. It operates through two segments, Insurance Operations and Reinsurance Operations. The Insurance Operations segment distributes property, casualty, general liability, =and professional lines products for small commercial businesses through = network of wholesale general agents, program administrators, and wholesale brokers. This segment provides property and casualty insurance products in the excess and surplus lines marketplace to customers in the United States, the District of Columbia, Puerto Rico, and the U.S. =Virgin Islands. The Reinsurance Operations segment provides third party =treaty reinsurance solutions to specialty property and casualty insurance, and reinsurance companies through brokers, as well as on a direct basis. The company was founded in 1970 and is based in Dublin, Ireland.
