Dear Sirs,

Last week you requested a resume. My resume includes the =interior design work I have done for the past 13 years. =before I entered the interior design business I was a =rominent designer in the film and television industry. I =ave designed over two hundred major television and film productions =nd received five Emmy Awards and the prestigious Peabody =ward. I do not see a reason to include 6 pages of my film =nd television credits but a few credits include Death Of = Salesman, Orpheus Descending and specials for Barbra =treisand, Frank Sinatra and Michael Jackson. If you would care to discuss my qualifications in more detail I can be reached at [REDACTED]
or my ema [REDACTED] Best, Tom =ohn
